Fiber Groups Plan United Efforts For Kenaf Expansion

The Kenaf Committee, composed of the Belle Glade Chamber of Commerce and the Fiber Committee of the Resources Board, under the chairmanship of M. U. Mounts, County Agent, met with Congressman Paul Rogers Tuesday in the offices of the RDS and initiated an aggressive plan for kenaf.

With the very favorable possibility of having several units similar in size and capacity to the former Hillsboro Plantation operation, the local committee joined the RDS group and have secured the cooperation of Congressman Rogers.

The committee requested the committee to furnish him in condensed form the historical background of kenaf growing and processing in the United States, together with definite information of industry and acceptability by governmental agencies, both military and others.

"To secure the coordinated efforts of industry, the Defense Department, the Agricultural Department and other interested segments of government someone from your committee similar with this phase would be a great help to me in Washington," the Congressman said.

The group asked Mr. Hickey Morton to go to Washington to gather all groups of interest in a common effort. To funnel the information to the Congressman, the committee will allow him to secure the backing of Florida's two Senators and House delegation, as well as Senators and Representatives from other states where kenaf growing is a substantial possibility. Kenaf grows well in all coastal states, it is said.

Tying the recommendation of a special commission of the president—and they recommended that government immediately plant 10,000 acres of kenaf—with the request of industry for a source of 50 thousand tons annually, the establishment of a kenaf fiber industry in the US has more than a "fair chance."

Improvement Announced In Coin Phone Service Beginning April 18

A new sound will be heard over Pahokee's pay station telephone beginning Friday, April 18th and it's a sound of progress.

It signals a new method of making calls from coin box telephones in the Pahokee exchange and of receiving calls from them, either in Pahokee or in the Belle Glade exchange. Here's how it works:

As in the past, the Pahokee coin telephone will dial the number and hear a ringing signal. When the called party answers, both parties will hear a deep tone, similar to the dial tone. This is a signal for the calling party to deposit his dime, after which the new tone will stop and the conversation can proceed.

So, if upon answering your telephone, you hear the new tone, don't hang up, but wait or the calling party to deposit his coin, and then you may talk.

Army Reservist Receives Promotion

ARMY PROMOTION: Major W. A. Wooten, co-owner of Glades Drug Store, Belle Glade, recently promoted with the rank of a Col. Medical Service, Corp. U. S. Army Reserve, by Col. Robert B. Jones, Commanding Officer, 307th Signal Battalion, West Palm Beach. Observing the presentation is Major Paul G. Glover, senior unit advisor to the reserve units at West Palm Beach. Col. Wooten has been active in the reserve program since his release from active service after WWII.

Jeanette Buss Becomes 1958 Glades Harvest Queen

VICTORY SMILES are displayed by 1958 Harvest Queen and her court following the coronation Saturday night at Belle Glade High School auditorium. Judges selected (l-r) Ann Rita Burns, third place; Jeanette Buss, Harvest Queen; and Cline Faulk, second place. Twenty-six contestants participated in the event sponsored by the Belle Glade Junior Chamber of Commerce.

Remette Tops Field Of 26 Contestants Saturday

Miss Jeanette Buss, 17, a senior at Belle Glade High School, was selected from among 26 contestants Saturday at the 1958 Harvest Queen coronation of the Belle Glade Jaycee's fifth annual event here.

Jeanette, who was sponsored by Dianne Grillo, is the daughter of Mr. and Mrs. Russell M. Buss. Her chief ambition to become a model will be edged along with an eight-week modeling course, one of the prizes.

She also won a weekend trip to Nassau, \$100 worth of clothing and a three-piece luggage set. Second place winner Cline Faulk was sponsored by Glades Drug Store, Ann Rita Burns, Pahokee, was sponsored by Beverly's Inc., a produce firm. They each won clothing and luggage.

Completing the selection of the top ten contestants were Molly Forsee, Frances Fountain, Gwen Bracewell, Sherry Mixon, Loreta Roe, Sandra Gove and Anita Cowart.

The harvest theme for the contest featured a huge hamper topped with fresh fruit centered in the stage through which each girl made her initial entrance. Master of Ceremonies for the evening was Jaycee President George Rashley.

Mr. Terry McWhorter, 9, daughter of Mr. and Mrs. Charles McWhorter, Belle Glade, presented entertaining pantomime skits during the judges' deliberations.

Jaycee John Talbert, West Palm Beach, became alternate judge replacing Joel Catling. Other judges were Molly Turner, Miami TV personality; Mrs. Taylor Larimore, modeling instructor, Miami; Robert Silver, State Jaycee President, Coral Gables; and Band leader Art Mooney.

Planning And Zoning Board at South Bay Is Back Into Operation

A Zoning and Planning Board for South Bay has begun operation again with William Masonic as chairman. The board is expected to present a final map of the city for council approval April 28.

Consisting of W. R. Jefferson, Marvin Davis, Kelly Williams and Floyd Wilder, the board has been meeting about twice a week with the council.

This becomes the first active planning board for the city since another one some years ago which didn't remain active.

At the regular Monday night council meeting an ordinance passed on first reading making it unlawful to resist arrest or refuse to give aid to an officer.

The council also accepted a plan for a plot from A. W. Walker, Jr., and it also named William Rhodes as city auditor. A home permit was issued to Buster Wilcher.

Ninth District Legion Meeting

American Legion delegations from Belle Glade and other south Florida cities will meet for their annual 9th district conference at Lake Worth Post 47 on April 20, according to Acting District Commander J. B. Jones, Belle Glade.

Reports from the area commander, district commander and post commanders will be heard as well as various resolutions of district, state and national importance will be presented. The all-day meeting will be climaxed by the election of district officers and the selection of five delegates to the national convention.

A resolution for state-wide publicity group on the Legion and its work is up for approval. The resolution, first of its kind in the state, originated at Post 26, Belle Glade.

Auxiliary members will hold similar sessions. J. B. Jones will be in charge of the meeting. This meeting will climax his year as executive committee man and (Continued on Page Four)

Additional Dental Survey Figures Supplied Here

Additional figures have been supplied for the Glades dental health survey which were not available last week's report. The resolution, first of its kind in the state, originated at Post 26, Belle Glade.

Fourteen youngsters at Belle Glade Elementary received care on the last day of the dental unit's visit which brings the total number of students receiving some care to 159.

There were 110 cleanings, 176 extractions and 330 fillings, the new reports show.

Songs And Whacky Patter Expected During BG Lions Club Production

The two Russian interplanetary garbage can have smashed back into the earth's atmosphere and were destroyed. The Belle Glade Lions Club space unit which orbited some time later is also due to land for a two-night stay before it burns out, April 24-25.

This year's annual production has been dubbed a "space epic" because it's feature, such attractions as "A True Life Story" and "King For A Day," but details are sketchy on what that is.

It's rumored that W. L. Cunningham, in charge of the "television extra banana," is an extravaganza live and in color production, not quite sure what they are either.

Anyway, "The Choralizing Cuties" is another stellar attraction and another riot act called "Last of the Red Hot

Only Direct VA Loans Available For Glades Vets

The Loan Guaranty Division of the Veterans Administration at Miami has been closed and transferred to Jacksonville, according to an announcement by Veterans Service Office, McCalland here.

McCalland said he has written for information on the processing of loan applications through that office. He is also seeking the current status of loan applications made through the Miami office.

No down payments on VA construction loans was recently ordered by President Eisenhower, McCalland said; however, the current information on the program changes have not been sent to him.

The President also authorized the VA to boost the interest rate on guaranteed home loans to "make private funds more readily available for investment in GI loans." Present VA loan rates are four and three-quarter percent.

Bank and loan officials in the Glades emphasize that direct loans are the only possibility for Glades veterans, excluding possibilities of securing a loan from a postal institution.

Rupert Mock, Bank of Pahokee, said the bank doesn't have GI loans and have never handled them. He explained that all of the bank's loans were short-term.

"We have to take care of the farmers who need money," he said. "If all our money is tied up in long-term loans, we don't have the money when it's needed."

Lions Will Host District Guests

Approximately 300 Lions Club members in district 35-S from Key West to Vero Beach, will meet at the Belle Glade National Club on Sunday, April 20, for the district governor's meeting.

Speaking to hosts again this year, Belle Glade Lions are urged to turn out for the affair, which brings a great deal of publicity to the area, to help entertain and provide answers to questions about this area.

Both Commercial Agent for F. E. C. R. E. Hotard, and Federal-State Market News Manager, Fred Tuttle, agreed that the past week was the peak of the season this year for harvest. Carlot equivalents moving (Continued on Page Eight)

Biggest Produce Week For Glades

Hopes for a big finale in produce harvesting are taking shape this week with the increased harvest of beans, and corn is expected to begin late next week. Potatoes will be in around April 30.

Bob Creech, Sr., In Ft. Myers Hospital

R. Y. Creech, Sr., of Fort Myers, former resident here is reported to be getting along nicely after suffering a coronary thrombosis attack about a week ago. He expects to remain in the hospital in Ft. Myers for two weeks and then be confined to his home for probably six weeks, according to a member of the family here.

Hub Bolton Rites Held In Georgia

Charlie Bolton returned Wednesday evening from Dawson, Ga., where he attended services for his brother Herbert (Hub) Bolton former resident of Lake Harbor, who died suddenly at his home Sunday morning. Services were held at Dupree Funeral Home.

Pays To Advertise - And Work

Whether we are experiencing a recession, a depression, or a recession of a vacation to the ever-demanding labor crisis of ATT-CIO, it's seems to be a fact that Santa Claus has gone home!

We believe that everybody must exercise his initiative his energy and his best professional or business planning in order to maintain profitable operations.

An encouraging example of originality, initiative, advertising and hard work is the Harvest Queen program put on by the Junior Chamber of Commerce and regular newspaper advertising.

First, they had a quality product to offer to the public. Secondly, they publicized their efforts, by personal contact by radio by timely publicity stories in the local paper, by window cards and by regular newspaper advertising.

Results: Even though West Palm had a special dance, Pahokee Elks had a regular scheduled affair, Clewiston had a "ho-down" of some sort and square dancing was regular Saturday night program at the Legion Hall. MORE THAN 400 folks enjoyed Art Mooney's dance band at the Armory.

Previous to the dance a packed crowd saw the crowning of the Queen and her entourage.

The affair was a success by any standard — the esthetic sense stimulated by "home-grown" pulchritude was cherished; the young ladies themselves, their families and friends appreciated the ensemble of distinguished confitures, the slick, chic appearance of everyone even some "once-in-a-whilers" loosened the joints with the aid of the terpsichorean arts, and the Junior Chamber didn't lose any money.

We had home-made fun and a lifting of the finer senses of appreciation of life, following the outstanding scourages of winter vegetable growing — cold and water.

If you'll apply this lesson of offering the public a worthwhile product, take advantage of modern publicity avenues and WORK yourself, let the smart boys have a reputation — it's going to be cured right here on Belle Glade's farms and highways.

Maybe more wholesome fun, made at home, might lessen the heart aches happening in the Glades recently.

Incidentally, give the Junior Chamber of Commerce boys a "thank you" for demonstrating. Our hats are off to them.

Heart Program Awards Presented

Volunteer workers were honored at a program presented by the Palm Beach and Martin County Heart Association Tuesday night at Belle Glade High School auditorium.

Officers Named By Parent-Teacher

Mrs. Junius Harris was elected president of the Parent-Teacher Association at the April 14 meeting held at 8 p.m. in the high school auditorium. Others named to duty were Dr. Victor Greene, Jr., 1st vice president; Mrs. C. L. Williams, 2nd vice president; Mrs. Howard Ray, recording secretary; Mrs. Ray Wilkinson, corresponding secretary; Mrs. E. A. McCabe, treasurer.

Installation of officers is scheduled for the May meeting.

Mrs. Frank C. Anderson, president, presiding, announced that Frank O. Hobson has been named principal at the new high school in West Palm Beach and the appointment of assistant Principal Philip Morris to replace him here.

Mrs. Hobson gave a brief talk on courses and work of the Junior and Senior high, the present education trend and cited the growth of Junior colleges. Mr. Morris announced the May Day program to be held in the high school auditorium on May 8, the art and industry art display on April 29 including work of all 14 grades, and the report of the grant system would be announced early next year.

Dr. N. Q. Geer gave the devotions and the room was won by Miss Margaret West's first grade.

A most entertaining program was given by pupils of all the first grades in an operetta, "Wedding of the Flowers" which was thoroughly enjoyed by the audience. The time and effort of both teachers and pupils was displayed in the (Continued on Page Eight)

City Manager Begins 4th Year

City Manager Clarence Robinson returned Thursday to his desk after attending City Managers' short course at Clearwater, Apr. 13-16. The program of idea exchanges and new techniques was heard by a record attendance, Robinson said.

Robinson plunged into his fourth year as manager by announcing that work on the wading pools was progressing well; that a spot-check on the sewerage revealed that revenues would be some \$7,000 above original engineers' estimates. (Continued on Page Eight)

School Daze

By AUDREY WALKER

The fifteenth annual convention of the Florida Association of Student Councils started April 17 in Clearwater, Fla. and will continue through the 19th. Three students of Belle Glade High School are attending the conference. They are Judy Farmer, Jeff Thomas, and Sonja Figueroa who are members of the Student Council of Belle Glade High School. The delegation is being accompanied by Miss Cynthia Salter, Physical Education instructor and Student Council sponsor.

Some of the topics to be discussed are:

1. Plan, work, have a definite time and place the couch

2. Get Comfortable (arrange yourself so you won't strain your back every time you reach for a cookie or coke or whatever you happen to be eating at the time)

3. Start to work promptly... the instant the commercial begins. And stick with it, until the commercial is over.

Follow this plan closely and you will certainly become a thoroughly successful failure.

How Can SC Help Improve Faculty-Student Relations?

"What are some Good Projects for the SC to Sponsor?" "What Should Be the Role of the SC in Improving Student Behavior?" "SC Responsibility for Spiritual Influences in the School?" "Characteristics of Good Student Body?" "Interscholastic Relations?"

Might Work

A professor in a small New England college, beloved by students and alumni, adopted this wise plan early in his teaching: Whenever he discovers a student who is discouraging about his work, he makes a point of giving that boy a better mark than he really deserves and of seeing that the others in the class know about the good mark. "Almost invariably," says the professor, "the boy gets up and earns that kind of mark the next time around. It's a little secret—maybe not exactly secret to Hoyle—but it works magic!"

Gerald Horton Bout, "What's Ever Things," Stetson University. Won't someone let our teachers in on this "sly little secret" and tell them that it might work for GIRLS, too.

Prescott Wins Delegation Post For Convention

Ralph Prescott, Belle Glade agency representative for Life Insurance Company of Georgia, has been designated a delegate to the company's convention at the Sheraton-Park Hotel, Washington, D. C., April 23-26.

He earned the distinction through outstanding results in the sale of life insurance and service to policyholders during 1957. He is a member of the President's Club, the top honor organization.

Prescott is on the public relations committee of the Everglades Life Underwriters Association, a member of the Lions Club, National Guard and has been qualified for one previous convention.

Negro Boy, 13 Drowns In Canal

Funeral services for Johnnie Lee Hearst, 13, a student at Lake Shore School, held April 15 at the Church of God in Christ and burial was at Fort Mayaca.

Hearst drowned Apr. 12 while swimming near the city dock on the rim canal. Constable W. L. Lee, city police and assistant juvenile counselor Gene Duncan investigated.

Peace Justice Mrs. Aleese Cherry said Lee's report said Clifford Jones, South Bay, and Milton Hill, Belle Glade, were also swimming with the Hearst.

Duncan said he has charged Hill with assault by pushing Hearst into the lake resulting in his death by drowning. Hill said that any further hearing on the matter would be a coroner's inquest, out that the Hill inquest, also 13, will be taken to juvenile court.

Johnnie Lee is survived by his parents, James and Mrs. Mae Hearst, 568 SW 4th St.

Lake Shore School News

Upcoming activities for students at Lake Shore High School include the Apr. 24 NFA and NHA banquet. The dinner for the New Farmers; New Home-makers of America will be held at the cafeteria at 5 p. m.

April 30 is pre-registration for grades 8-12 at which time the faculty determines the size and class groups expected for the fall term.

Teachers also use the time for counseling and guidance in helping students to determine a grouping for their studies such as college prep, general high school studies or commercial fields.

On May 5 the school May Day Exercises will be held at 8 a. m. at the cafeteria with Mrs. Mildred Walker in charge. In observance of spring, the event holds the theme, "May Day Moods," with songs, dances and pantomime along with the school bands for the first time.

With Mrs. Walker on the committee on arrangements are Mrs. Annie Mills, Mrs. Marie Hawkins, Mrs. Catherine Juniors and Mrs. Effie Greer.

Lake Shore Leads Baseball Loop

Lake Shore High School's Bobcat baseball team is leading the conference with a 4-1 record and now stand one game from clinching the loop lead for the year, Coach Ben McCoy said this week.

Their season record is 4-3 after a loss to Mays High of Miami a week ago Wednesday.

Their only league loss was to Lincoln Academy of Ft. Pierce. On Apr. 2 the Cats won 15-5 at Vero Beach as Ira Wilson clouted a home run. Willie Williams took a loss in the 22-2 rout with Mays.

Last Tuesday the Cats were routed in the third inning while leading Glifford 6-0 here. The game will be finished at a later date.

Today Lake Shore visits Dilard High of Ft. Lauderdale in a Class A, non-conference tilt, then play Northwestern of Miami in another Class A game Monday. Their next conference game will be next Thursday with Carver of Delray here.

A win against Carver would clinch the conference crown even though the Cats face Ft. Pierce later.

Negro Deaths

Graveside rites for Luther Brown, about 33, who died Apr. 14 at Belle Glade Memorial Hospital will be announced by Taylor Funeral Home.

Brown, a resident of the Thomas Quarters at Lake Harbor, is survived by his wife, Mrs. Rosa Lee Brown.

Further information will be released on funeral arrangements for Susie Tucker, age not available, who was found dead at a rooming house known as "Old Folks Juke" on 6th St. and SW Ave. C Place this week.

Burial will be at Port Mayaca for Luke Brinson, 32, who was killed Apr. 10, about 1 a. m. in a hit-and-run accident on SR 15 four miles north of Belle Glade.

Brinson, who lived at 513 SW 5th St., has no known relatives here. Florida Highway Patrol reports state that Brinson was hit by at least four cars before the fourth car stopped to report that someone had been hit.

Forty Attend Witness Meeting

The Bible lecture, "Facing the Future Without Fear," climaxed the three-day Christian Assembly of Jehovah's Witnesses held at Lakeland last week. About 40 representatives from Belle Glade were among the more than 600 who attended.

Principal speaker James A. Thompson, Jr., district supervisor of the Watchtower Society, New York, pointed to the fact that people of the world are living in a period of intense anxiety and fear.

After describing the New World Society with Bible verses and contemporary facts, Thompson concluded with three ways one could expect to survive this world's end without fear.

(1) To investigate the marvel of the New World Society. (2) To acquire knowledge, faith and love. (3) To associate with the New World Society and fearlessly face the future.

Another highlight of the assembly was the baptism of 20 new ministers, including Mrs. Lillie Mae Johnson, Belle Glade.

Director Speaks About '58 Follies

The physical education department of the East Lake School in Pahokee is busy after school these days rehearsing for their specialty number, "Men From Mars," a series of Living Statues to be presented in the annual musical revue, COLLOS of 1958, at the Showboat Theatre on April 30th.

Asked about the feature, Athletic Director Officer Davis, said: "Since my review of 1954 the physical education department has featured acrobatic, tumbling, balancing acts, comic gymnastics. This year, we thought we'd like to do something different. The 'Men From Mars' idea is the result."

It is a presentation of tableaux, or living pictures, using figures to portray a series of health, alertness, latent power; a combination of strength and beauty.

"Since the beginning of time man has strived to express himself in many artistic ways. In the golden days of Greek culture their artistic work was inspired and dominated by the portrayal of groups of well-developed youth. They believed that wisdom, strength, and beauty were best represented by a well-proportioned physique. In this concept, we agree."

"In our series of tableaux, each picture has its own theme and artistic meaning. We feel that the public will enjoy and appreciate 'Men From Mars' because it is something new before attempted by any of our public school groups in the entire State of Florida."

Living pictures to be shown in the FOLLIES will include "Spirit of Cooperation," "Hope of the World," "Struggle," "Spirit of Physical Education" and others.

The "Men From Mars" will be expecting you at the SPACE FOLLIES, and tickets are now on sale.

Armed Service News

Army PFC Frank E. Davis, son of Mr. and Mrs. Frank Davis, Pahokee, Fla., recently participated in a field training exercise with the 11th Airborne Division in Germany.

Davis, a rifleman in Company D of the division's 50th Infantry, arrived in Europe last December. He entered the Army in February 1957 and completed basic training at Fort Benning, Ga.

The 23-year-old soldier was graduated from Everglade Vocational High School in 1953.
